THE SYMBIONESE FEDERATION & THE SYMBIONESE LIBERATION ARMY DECLARATION OF REVOLUTIONARY WAR & THE SYMBIONESE PROGRAM
AUGUST 21, 1973

The Symbionese Federation and The Symbionese Liberation Army is a united and federated grouping of members of different races and people and socialist political parties of the oppressed people of The Fascist United States of America, who have under black and minority leadership formed and joined The Symbionese Federated Republic and have agreed to struggle together in behalf of all their people and races and political parties interest in the gaining of FREEDOM and SELF DETERMINATION and INDEPENDENCE for all their people and races.

The Symbionese Federation is NOT A GOVERNMENT, but rather it is a united and federated formation of members of different races and political parties who have agreed to struggle in a UNITED FRONT for the independance and self determination of each of their races and people and The Liquidation of the Common Enemy.

And who by this federated formation represent their future and independent pre-governments and nations of their people and races. The Symbionese Federation is NOT A PARTY, but rather it is a Federation, for its members are made up of members of all political parties and organizations and races of all the most oppressed people of this fascist nation, thereby forming unity and the full representation of the interests of all the people.

The Symbionese Liberation Army is an army of the people, and is made up of members of all the people. The SLA has no political power or political person over it that dictates who will fight and die if needed for the freedom of our people and children, but does not risk their life or fight too for our freedom, but rather the SLA is both political and military in that in the SLA the army officer, whether female or male is also the political officer and they both are the daughters and sons of the people and they both fight as well as speak for the freedom of our people and children.

The Symbionese Federation and The Symbionese Liberation Army is made up of the aged, youth and women and men of all races and people. The name Symbionese is taken from the word symbiosis and we define its meaning as a body of dissimilar bodies and organisms living in deep and loving harmony and partnership in the best interest of all within the body.

We of the Symbionese Federation and The SLA define ourselves by this name because it states that we are no longer willing to allow the enemy of all our people and children to murder, oppress and exploit us nor define us by color and thereby maintain division among us, but rather have joined together under black and minority leadership in behalf of all our different races and people to build a better and new world for our children and people's future. We are a United Front and Federated Coalition of members from the Asian, Black, Brown, Indian, White, Women, Grey and Gay Liberation Movements.

Who have all come to see and understand that only if we unite and build our new world and future, will there really be a future for our children and people. We of the People and not the ruling capitalist class, will build a new world and system. Where there is really freedom and a true meaning to justice and equality for all women and men of all races and people, and an end to the murder and oppression, exploitation of all people.

We of the Symbionese Federation and The SLA are the children of all oppressed people, who have decided to redefine ourselves as a Symbionese Race and People. Yet, recognizing the rich cultures of each and enforcing our rights to existence of our many cultures.
within a united federation of independent and sovereign nations, each of them flourishing and protected by its own laws and codes of self determination.

We are of many colors, but yet of one mind, for we all in history's time on this earth have become part of each other in suffering and in mind, and have agreed that the murder, oppression and exploitation of our children and people must end now, for we all have seen the murder, oppression and exploitation of our people for too long under the hand of the same enemy and class of people and under the same system.

Knowing this, the Symbionese Federation and The SLA know that our often murderous alienation from each other aids and is one of the fundamental strengths behind the ruling capitalist class's ability to murder and oppress us all. By not allowing them to define us by color, and also recognizing that by refusing ourselves to also internalize this false division definition, knowing that in mind and body we are facing the same enemy and that we are all comrades of one people, the murdered and oppressed, we are now able to become a united people under the Symbionese Federation and make true the words of our codes of unity that TO DIE A RACE, AND BE BORN A NATION, IS TO BECOME FREE.

Therefore, we of the Symbionese Federation and the SLA DO NOT under the rights of human beings submit to the murder, oppression and exploitation of our children and people and do under the rights granted to the people under the Declaration of Independence of The United States, do now by the rights of our children and people and by Force of Arms and with every drop of our blood, Declare Revolutionary War against the Fascist Capitalist Class and all their agents of murder, oppression and exploitation. We support by Force of Arms the just struggles of all oppressed people for self determination and independence within the United States and The World. And hereby offer to all liberation movements, revolutionary workers groups, and peoples organizations our total aid and support for the struggle for freedom and justice for all people and races. We call upon all revolutionary black and other oppressed people within the Fascist United States to come together and join The Symbionese Federation and fight in the forces of The Symbionese Liberation Army.

(2) To assure the rights of all people to self determination and the rights to build their own nation and government, with representatives that have shown through their actions to be in the interest of their people. To give the right to all people to select and elect their own representatives and governments by direct vote.

(3) To build a people's federated council, who will be a male and female of each People's Council or Sovereign Nation of The Symbionese Federation of Nations, who shall be the representatives of their nations in the forming of trade packs and unified defense against any external enemy that may attack any of the free nations of the federation and to form other aids to each others' needs.

(4) To aid and defend the cultural rights of all the sovereign nations of The Symbionese Federation, and to aid each nation in the building of educational and other institutions to meet and serve this need for its people.

(5) To place the control of all the institutions and industries, of each nation into the hands of its people. To aid sovereign nations of the federation to build nations where work contributes concretely to the full interest and needs of its workers and the communal
interest of its communities and its people and the mutual interest of all within the federation of nations.

(6) To aid and defend the rights of all oppressed people to build nations which do not institute oppression and exploitation, but rather does institute the environment of freedom and defends that freedom on all levels and for all of the people, and by any means necessary.

(7) To give back to all people their human and constitutional rights, liberty, equality and justice and the right to bear arms in the defense of these rights.

(8) To create a system where our aged are cared for with respect, love, and kindness and aided and encouraged to become assets in their own ways to their nations and to their communal community. That the life that moves around them is not a frightening and murderous one and where life is not a fear, but rather one of love and feeling and of unity.

(9) To create a system and laws that will neither force people into nor force them to stay into personal relationships that they do not wish to be in, and to destroy all chains instituted by legal and social laws of the capitalist state which acts as a reinforcing system to maintain this form of imprisonment.

(10) To create institutions that will aid, reinforce and educate the growth of our comrade women and aid them in making a new true and better role to live in life and in the defining of themselves as a new and free people.

(11) To create new forms of life and relationships that bring true meanings of love to people's relationships, and to form commune on the community level and bring the children of the community into being the responsibility of the community, to place our children in the union of real comradeship and in the care and loving interest of the revolutionary community.

(12) To destroy the prison system, which the capitalist state has used to imprison the oppressed and exploited, and thereby destroy the love, unity, and hopes of millions of lives and families. And to create in its place a system of comradeship and that of group unity and education on a communal and revolutionary level within the community, to bring home our daughters and sons, and sisters and brothers, fathers and mothers and welcome them home with love and a new revolutionary comradeship of unity.

(14) To take controls of all buildings and apartment buildings of the capitalist class and fascist government and then to totally destroy the rent system of exploitation.

(15) To build a federation of nations, who shall formulate programs and unions of actions and interests that will destroy the capitalist value system and its other anti-human institutions and who will be able to do this by meeting all the basic needs of all the people and their nations. For they will be able to do this because each nation will have full control of all of its industries and institutions and does not run them for profit, but in the full interest of all the people of its nation.

(16) To destroy all forms and institutions of Racism, Sexism, Ageism, Capitalism, Fascism, Individualism, Possessiveness, Competitiveness and all other such institutions that have made and sustained capitalism and the capitalist class system that has oppressed and exploited all of the people of our history.

By this means and the mutual aid and unity of each nation within The Symbionese Federation, will each nation be able to provide to each person and couple and family free of cost the five basic needs of life, which are food, health care, housing, education and clothing, and in this way allowing people to be able to find and form new values and new systems of relationships and interests based on a new meaning to life and love.
IF THE QUEST FOR FREEDOM IS DEATH THEN BY THE DEATH OF THE ENEMY, WILL BLACK AND OTHER OPPRESSED PEOPLE FIND AND REGAIN THEIR FREEDOM.

TO THOSE WHO WOULD BEAR THE HOPES AND FUTURE OF OUR PEOPLE, LET THE VOICE OF THEIR GUNS EXPRESS THE WORDS OF FREEDOM.

THE UNITED SYMIONESE WAR COUNCIL

TERMS OF MILITARY/POLITICAL ALLIANCE

Our commitment to the revolutionary struggle for self-determination for all oppressed people and races and the international proletarian revolution is total and fully uncompromisable. Therefore, any relationship the Symbionese War Council has with any group or organization is based on their active military/political commitment to the goal of gaining freedom for all oppressed people and races.

(1) Our alliance with any group or organization is based upon their firm decision to fight as well as talk in behalf of the people's interest, and once this commitment is clear then we can come together in order to:

1. collectively develop a common strategy
2. work together to develop tactical co-ordination
3. assist each other in developing the abilities and talents of all the members of the Symbionese War Council and to analyze the strengths and weaknesses of the leadership in order to constantly better all aspects of the ability and actions of the War Council, and its individual leadership from other organizations.

(2) Command positions of The War Council are subject to the approval of all members of the Council, based upon the military/political thinking and ability of the presented
officer to work with others in the interest of freedom for all people and races.

(3) Command positions in The War Council are not appointed by one who knows, one's sex, one's color or by the group or organization one belongs to, but only by one's Courage, Determination, Intelligence, Aggressive Initiative and Capability as a leader and one's Military/Political thinking.

(4) All members of The War Council are expected and fully are responsible for the military/political leadership of The SLA, they must fight and speak for the people and this must be understood clearly by all members.

(5) No member of The War Council can elect or select himself or herself to a position such as the head of a government or people's council; the War Council is totally an alliance of war against the common enemy. The people themselves shall have and hold the ONLY RIGHT to select and elect their governments and government heads of state.

(6) It is NOT the policy of The War Council to rip off leadership or membership from other organizations, but rather it is the policy of The War Council to aid and support the development and education of leadership to fulfill truly its responsibility to the people, and to allow the collective intelligence, leadership and resourcefulness of the leadership from different organizations and groups to flourish together and grow together; thereby forming an area where the collective interests and needs as well as weaknesses and strengths of each can benefit each IN THE COMMON STRUGGLE TO LIQUIDATE THE COMMON ENEMY.

(7) A successful military force is a necessity for actualizing political goals and must therefore be held as a priority; therefore, the true assistance in the supplying of military equipment, materials, finances, personnel is of the utmost importance, once these forces have fully committed themselves to open and total warfare against the common enemy and members of The War Council must understand this clearly.

(8) Leadership of any group or organization who is truly committed and in agreement with the goals of The SLA and the terms of military/political alliance may be presented to The War Council; however, the presented officer's membership is not confirmed until it is verified that prior to presentation for membership a combat action has been taken part in by that group or organization within the last 12 months.

(9) Once The War Council collectively agrees to an action or plan of strategy then that action shall be understood as an action of The SLA, and not of any single group or organization. Just as the fingers cannot call themselves a fist, and the fist cannot call itself the fingers. From time to time the membership on The War Council may disagree upon a particular action or strategy. When in disagreement, that particular membership need not participate in the SLA action, but membership on The War Council is maintained only as long as all commitments made to the collective Symbionese War Council are continued to be fully adhered to. It is the disagreeing group or organization's responsibility to, on its own, prove out their ideas in order to change or modify its own or the collective War Council's direction.

(10) It is the policy of The War Council not to involve itself in the internal political affairs of disagreements that may result within different organizations or groups. However, The War Council recognizes and accepts membership to the Council of any military/political unit, cell or organization that qualifies and shall recognize them as true representatives of that particular organization or group. It is the collective policy of The War Council that the failure of the elected leadership to take her or his revolutionary responsibility as far as the War Council is concerned shall be totally the responsibility of the elected leader and not that of The War Council.

(11) Organizations or groups that wish to serve in combat units must select two persons, one female and one male (if possible), who have full responsibility and authority to
act and represent their group or organization and who will hold a command position in the unified command of The United Symbionese War Council.

(12) All members of The Symbionese War Council must clearly understand that our commitment is total and our goal is the total freedom of the people and children and the destroying totally of the common enemy. Therefore, it is held that any restraining of supplies or other war materials, etc. for political reasons or reactionary reasons or political chess games with the enemy, by any officer or other persons in the War Council that by its actions endangers the lives of the women and men of The Symbionese Liberation Army shall be held as a full and total violation of this alliance pact and compromising with the enemy and the freedom and life of the people and children and therefore is punishable by death.

TO THOSE WHO WOULD BEAR THE HOPES AND FUTURE OF THE PEOPLE, LET THE VOICE OF THEIR GUNS EXPRESS THE WORDS OF FREEDOM.

TACTICAL SUPPORT UNITS

Each cell of The SLA TACTICAL SUPPORT UNITS is composed of elements of other organizations and groups and individuals. Under the strategy of The SLA it is totally impossible to follow the egotistic aspirations of many leaders of political organizations, since they continue to organize new organizations everytime one falls apart, when they fail to understand that the people always organize to fight the enemy; and when leaders fail to start the fight, then the people fall from that organization.

To continue in this manner is totally reactionary, egotistic, opportunist and anti-revolutionary, since to do so only allows for the continued grouping and regrouping of the same revolutionary people for the fight that never comes and with the only purpose of organizing. This is totally anti-revolutionary for within the true purpose of revolution there is only TWO DEEP PURPOSES: TO DESTROY THE ENEMY AND FREE THE PEOPLE. This in itself means the need for an army of the people that fights the enemy.

In order to organize, one must organize in support of something, one does not organize in support of having or belonging to or just to organize, but rather one must have a purpose to organize around, and since in revolution it is the purpose to organize to fight the enemy and to support those that fight on the front lines, it is then clear that the people organize to fight and destroy the enemy. They do not organize to fight the enemy and then when it comes time to fight, claim that to fight the enemy will endanger the organization for this would show them to be lovers of positions and the organization and not true revolutionaries that love the people and children.

Since you as members of the people have organized to fight the enemy, for the reason that you are and do love the people, then it is clear to you where your true responsibility is, and that is to join and support those who are in the front lines fighting the enemy for us all, regardless of what color, group or organization they belong to, for the people are just this; they are not or organization or color or group, they are the oppressed, exploited and murdered, they are those we love and for whom we, if needed are willing to die for, they are our children.

Therefore what is needed now is for you as lovers of the people to select in what area you are able and willing to fight in or give support to, either in the combat units or support units of The SLA, the choice is yours alone: to be and show yourself as lovers of the people and our children and true to your word revolutionaries or as egotistic opportunists and lovers of the group and organizations and enemies of the people.
